

The Department of Economics and Business invites you to the V Seminar of the Department's Research Series, at which the following work will be presented:

Protect the biodiversity at agricultural zones: Which type of agro-environmental size functions better?

The presentation will be given by Professor Esther Estruch Bosch, Full Professor in the Economics, Sociology and Agrarian Politician area of the FDET.

The event will take place on Thursday, **September 25, 2025**, at **13:00**, in **Classroom 1.31** of the Faculty of Law, Economics and Tourism.

You are all invited!
